## EC - CERTIFICATE OF FACTORY PRODUCTION CONTROL

**1301 – CPD – 0354**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

### **System chimneys with clay/ceramic flue liners**

**open-type system chimney LEIER according to EN 13063-1**  
sootfire resistant, working under dry conditions,

**open-type system chimney LEIER according to EN 13063-2**  
working under wet conditions,

**open-type system LEIER TURBO and LEIER TURBO-N according to EN 13063-3**  
working under wet conditions, in which combustion air is conveyed to suitable roomsealed appliances through an air duct or an air gap,

are intended to convey the products of combustion to the atmosphere through clay/ceramic flue liners with negative pressure (natural draught), resp. LEIER TURBO-N with positive pressure according to EN 1443,

produced by the manufacturer

**LEIER MALBORK, Sp. z o.o.**  
Al. Wojska Polskiego 92, 82-200 Malbork  
Poland

in the factory located at

**LEIER MALBORK, Sp. z o.o., Malbork**

is submitted by the manufacturer to the initial type testing of the products and a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body No.

**1301 - Technický a skúšobný ústav stavebný, n. o.**

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

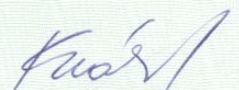

**EN 13063-1: 2005+A1: 2007, EN 13063-2: 2005+A1: 2007, EN 13063-3: 2007**

were applied.

This certificate was first issued on 31 March 2008 and remains valid as long as the conditions laid down in the harmonised Technical Specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
